Hi Dr. Alin and Dr. Feely,

I am working with Mike Cox to organization an informal conversation on OA at EPA's Regional office in Seattle on March 31st, from 1:30-3PM. Can you let me know if that day and time works for you? If not, please send some dates that will work better. Once we have settled on a date I will send out an invite. If you have any questions, feel free to give me a call.

All the best,
Rochelle
